Brand NEW XL Luxury Safari Tents

We visioned the perfect safari tent. To realize that we started from scratch. We took down all our older XL and L safari tents, and we reconstructed a brand new, wider, more luxurious, yet surfish, stylish, and more functional Glamping habitat.

01 Well protected from winds and sun heat, better equipped, with a boho touch and aesthetic.

02 Lots of amenities, conveniences, and more privacy.

03 With two separate rooms (master and children), with brand new bathrooms, sunbeds, trampoline nets, sun pillows and hammocks.

04 They are the perfect balance of luxury, outdoor minimalism and surf tribal vibes.
