

ABOUT KEROS

Keros beach is located on the island of Limnos in the Northern Aegean, Greece. It is part of a protected ecosystem (Natura 2000). The scenery is unique: sand dunes, salt lakes with pink flamingos, sandy isolated beaches full of small shells and turquoise waters that will make you think you are far away from Europe, in another continent.

STAY

In our Luxury Safari tents, you can stay in the heart of a Natura 2000 protected ecosystem. You can spoil yourself with every amenity that modern hospitality has to offer while staying under the stars. You can enjoy the panoramic view of Keros Beach from your private veranda and be a five minutes walk away from one of the best windsurfing and kitesurfing spots in the world. Our safari tents come in 3 different sizes and options, capable of hosting groups or families of 3-6 people.

They are equipped with A/C, TV, espresso machine, large bathroom and high quality amenities.

SURF

The 4km sandy beach, shallow waters and moderate summer winds, make it one of the best places for windsurfing, kitesurfing, wing surfing and foiling in the world. At the same time it is super safe, making Keros a great place for family holidays. Surf Club Keros station is located in the center of the bay, where our experienced and certified instructors are waiting for you, to take your riding to the next level. As an IKO Affiliated center, all lessons and procedures follow the highest safety and efficiency standards. Our school equipment consists of brand new - top of the market RRD windsurf, kitesurf, foil and wind wing material, providing the best experience to intermediate and advanced riders.

Relax

In a relaxing, eco-friendly environment resides our Day SPA Tent, accommodating all the treatments your body, soul and mind may wish for. The best way to start and end your day is a yoga session in our natural surroundings, with the soothing view of Keros bay. Cannot stay away from the beach? Try out SUP yoga on our yoga-hub and let the element of water relax your body, mind and soul. Childcare is such an important part of the Surf Club Keros holiday experience: Enjoying a holiday is so much easier when the kids are having supervised fun in a safe, structured environment.

Taste

On our property you will find our Mediterranean cuisine restaurant and bar, providing everything from coffee, drinks, and full range a la carte and buffet meal options. At the beach, the Hungry Local canteen will provide you with a wide variety of Greek and international options, inspired from our surf trips around the world.

Experience

Living a unique and holistic experience is part of our mission here at Surf Club Keros. Whether on water or land, let us guide you to the hidden gems that reside on this exceptional island. Join our program of activities, trips, and excursions and explore the generous diversity of nature, that Keros and Limnos island has to offer. Morning hikes, bike rides, island tours, wine tasting, visits to historical sites are only some of the fun trips on our agenda!
